

***Our Lady of Lake Huron School***  
**COVID-19 Reporting as Required by MDHHS**

To protect the health of our School Community and per the Emergency Order issued by the Michigan Department of Health and Human Services on October 6, 2020, Our Lady of Lake Huron School will provide Public Notice to our School Community regarding School Associated Cases of COVID-19. Within 24 hours of being notified of a School Associated Case by Huron Health Department, this dashboard will be updated to include new and cumulative COVID-19 cases. Individuals identified as Close Contacts of School Associated Cases will be notified separately and directly by Huron Health Department

*Updated: December 16, 2020*

On the dates listed below, the Huron Health Department made us aware of a case(s) of School Associated Cases of COVID-19 amongst the Our Lady of Lake Huron School Community. This data may include probable and confirmed cases as reported by Huron Health Department among students, staff, administration, coaches, or visitors, if the person with COVID-19 was in the building or participating in a school-sponsored function during their infectious period.

Date	Location / Event	Status / Group	Notes
12/15/20	School	Staff - 1	<ul style="list-style-type: none"><li>• Positive individual was last in the building on 12/14/20</li><li>• 1 student directed to quarantine</li></ul>

Our school will continue to take every precaution necessary. This may include spraying classrooms, hallways, locker rooms, and common areas, as needed, with a sanitizer, along with other methods of disinfection.

**ACTIONS YOU CAN TAKE**

We recommend taking action to help limit the spread of COVID-19, even if staff members or students are not experiencing symptoms:

- **Wear a mask** (covering mouth and nose) while in public places or if people who do not live with you must visit your home.
- **Practice social distancing** (maintaining a distance of 6 feet apart).
- **Practice frequent handwashing** (using soap for 20 seconds or hand sanitizer with 60% alcohol).
- **Follow [capacity restrictions](#)** of social gatherings.
- **Cover coughs and sneezes** with a tissue or with the inside of your elbow and immediately wash your hands.

- **Stay home if you are sick;** you can also [get tested](#).
- **Answer the phone if the health department contacts you,** as a contact tracer may be trying to reach you with important information.
