OLD BUSINESS:

- A. Grandparents Day was a success and everyone had a great time! Thank you to everyone who worked and to everyone who attended to be with all of our wonderful students! Suggestions were made to send postcards home to grandparents to remind them of the day as it's coming up and to put up seating charts so grandparents know whether they are in the cafeteria or the multi-purpose room with their grandchildren for the meal.
- B. Advertising- Mrs. Goulet has advertised our wonderful school in The Huron Daily Tribune, the Tribune Shoppers Papers, the Tribune Digital, and in many brochures and weekly bulletins. She is getting the word out how wonderful our school is and letting people know everything it has to offer and what a great place it would be to send their children here.
- C. Desks- There are many desks still available upstairs if anybody knows of anyone who would like to make a donation to purchase one. A suggestion was made of the possibility of putting them on the BK Online Auctions in Bad Axe.

NEW BUSINESS:

- A. Track & Field Day- Things will be a little different this year. The students will start off with breakfast(granola bars/cereal/milk) in the cafeteria. Then they will head over to the playground and be broken up into small groups and multi-age groups. There will be 11 stations and the events will start at 9:00. After they have gone through all the stations, they will have popsicles and be ready for buses by

11:20. We will need approximately 15 people to help at the stations. Watch for a sign-me up via email coming home soon.

- B. 8th grade graduation will be Sat. June 1st at the 4:30 mass.
8th grade graduates, their parents, OLLH faculty, and Fr. George are all invited to a meal in the church cafeteria after mass given by the 7th graders and their parents.
- C. Ron & Mary Ramisch and Jeff & Julie Booms have graciously volunteered to oversee the food tent for the Summer Festival. We appreciate your dedication and commitment.
- D. New Vice President- ballots have been received and those with the highest votes will be contacted to fill the position.
 - i. Updates are being made on account names at Chemical Bank.
